

Zagreb, August 21, 2023

Dear Business Partners,

We are pleased to inform you that AlphaChrom d.o.o., headquartered at Karlovačka cesta 24, 10000 Zagreb, Croatia, MB number: 02523710, VAT number (OIB) HR18966227376, has changed its name to Altium International d.o.o.

The name change came into effect on August 18, 2023, the day of the decision by the Commercial Court in Zagreb, Croatia. We will begin using the new name in our communications starting from the first working day after the change, which is August 21, 2023.

All information and contacts remain unchanged (address, MB number, VAT number, bank account numbers, phone numbers, email addresses, etc.), as well as the scope of our business operations.

This change is related to aligning the Croatian company AlphaChrom with the identity of the Altium group within which we have operated since our establishment in 2009.

The change of the company name will not impact our existing collaborations. All terms of existing agreements with our clients, suppliers, and contractors will remain unchanged.

All new business correspondence, invoices, orders, conclusion of new contracts, amendments to existing contracts, and any other negotiations conducted between our company and you will be carried out under the new business name.

If you have any questions, please feel free to contact our administration department at admin@alphachrom.hr.

On behalf of Altium International d.o.o. (formerly AlphaChrom d.o.o.)
